GET OFF THE CAR LOAN CAROUSEL Many people just assume that they will be burdened with a car loan for life. However, with well-planned, prudent choices an individual can rid themselves of car loans and (more importantly) free up financial resources to be used toward reaching other financial goals such as education, savings and retirement. This workshop provides a glimpse into the financing numbers as well as discussing basic car buying tips, techniques and strategies. Get rid of that car loan, forever!

STRESS FREE DEBT ELIMINATION Bills piling up? Can barely afford the minimum payments? Constantly worried about your debt burden? Can't sleep at night? Learn to get your life back by ELIMINATING debt. Get rid of your debt, which will reduce your stress, which will lead to financial freedom and peace.

COLLEGE BOUND! "WALLET READY" Congratulations! Your child is graduating high school and preparing to go off to college. But are they trained and able to handle life's daily expenses? In addition to being burdened by student loans, college graduates carry an average credit card debt of \$3,000. You've prepared them academically; now get them "Wallet Ready"!

WHAT'S A 'FICO'? MAKING SENSE OF CREDIT SCORES Obtaining credit with the best terms is largely dependent on your FICO score. This seminar will describe what makes up a FICO score and various methods you can use to improve it. A higher FICO score leads to lower interest rates which saves you potentially tens of thousands of dollars when obtaining a mortgage. No longer fear the 'FICO'!

WHEN CAN I AFFORD A HOUSE? Owning a home is the American dream. But when is the right time to plunk down the cash and start decorating? Owning a home requires sound financial footing that can withstand the forces of life such as medical illness or loss of employment. Live comfortably without fear of losing your home to foreclosure.

MAKING SENSE OF MORTGAGE REFINANCING There are many reasons to refinance a mortgage – from taking advantage of lower interest rates to avoiding foreclosure. What are the different ways to refinance and what are the associated costs? This seminar will explain the issues, costs and process to help you make the decision that best suits your needs.

WHAT'S YOUR SPENDING PERSONALITY? "Spend less, save more." Sounds easy enough, but how do you do that? Learn to identify what drives you to spend. Is it keeping up with the Jones'? Is it just feeling better about yourself? Understanding your spending personality will equip you to understand spending habits and lead you to trim spending in order to save more.

IMPULSIVE AND COMPULSIVE SPENDING Sometimes our spending habits may be at the root of unbalanced household finances. Detecting our spending habits is a valuable skill, and if impulsivity and/or compulsivity are the causes, you'll need to learn how to manage them.

SELECTING A FINANCIAL PLANNER Take charge of your life by carefully mapping life's timeline to financial means. Larry Burkett states, "Fail to plan, Plan to fail." Learn the aspects involved in the planning process and how to find a financial planning professional to fine tune your financial requirements and help you on the road to meeting your life's goals.

DEVELOPING A SUCCESSFUL HOME BUDGET So many of us are having trouble balancing our home finances. A household budget is the first step to financial freedom. Learn the elements of successful budgeting for yourself and your household.
